Berlin, November 12, 2020

Call for applications for MSc and PhD students in Berlin

To whom it may concern,

The **Einstein Center for Neurosciences (ECN)** and the **International Graduate Program Medical Neurosciences** in Berlin are now recruiting students for their programs (MSc, PhD or MD/PhD)!

Einstein Center for Neurosciences Berlin

With more than 115 internationally recognized research groups, the ECN offers outstanding interdisciplinary training and research opportunities for national and international scientists, with research spanning from synapse to behavior, molecule to disease, and brain to mind.

Students currently enrolled in a BSc or MSc program and expecting to graduate before October 2021 are encouraged to apply.

The closing date for applications is January 11, 2021.

International Graduate Program Medical Neurosciences

It is an interdisciplinary graduate program focussing on biomedical research. Currently we have about 80 Master and doctoral students from more than 30 nations enrolled.

The MSc program is now recruiting students for its 2021 intake.

The application deadline is the January 15, 2021.

We are looking forward to many interesting applications!

We would be grateful if you could recommend/forward the following announcement to suitable students or interested colleagues and post the enclosed posters at prominent places within your institution!

Best regards

Prof. Dr. Dietmar Schmitz
