

2001-2007

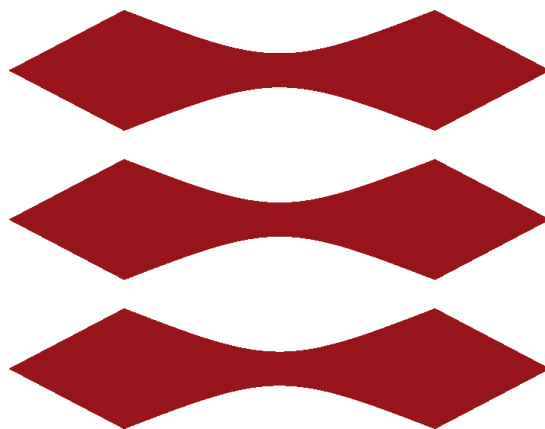

MSc Industrial Biotechnology

2007-2010

PhD Bioinformatics and
Fermentation Technology

DTU

2011-now

Fermentation Scientist

Alessandro Fazio

What is my job?

Enzyme production optimization at industrial scale

Factory environment

Heterogeneous teams

What I had to learn:

Chemical engineering concepts

Data analysis, modelling and management

Team work

Project and stakeholders management

Multi level communication

Process economy

2011-now
Fermentation Scientist

Alessandro Fazio

How to turn your *CV* into a "*Resume*":

A useful skill in these economic times

STEP 1: MOVE THE "REAL-WORLD WORK EXPERIENCE" SECTION FROM THE BOTTOM TO THE VERY TOP.

STEP 2: TRIM THE DOCUMENT TO ONE PAGE. GOOD LUCK!
